Mrs. Betty Kline

The Senior Class and the staff of the *Clintonia* dedicate the 1980 yearbook to Mrs. Betty Kline. Mrs. Kline, a graduate of Illinois Wesleyan where she was a member of Alpha Gamma Delta sorority, has completed her 12th year at CCHS.

Always ready with a smile or a few words of greeting, Mrs. Kline is a "favorite" of many of the CCHS students. She is a gardening enthusiast and takes great pleasure in reporting the latest "happenings" at her residence in the country.

Mrs. Kline taught at Romeoville, Illinois, her first year. During her twelve years at Clinton High School, she has headed the Future Nurses of America and has been a sponsor for the Junior Class. Mrs. Kline is active in the Methodist Church, where she is Chairman of Wills and Bequests. She is also secretary of the Weldon Springs Advisory Committee.

To our own "Country Gentlewoman" we dedicate the 1980 issue of the *Clintonia*.

A black and white photograph of three lit candles arranged vertically in the center of the page. The candles are lit, with bright flames and some smoke visible. The background is dark and textured.

# HOMECOMING PARADE

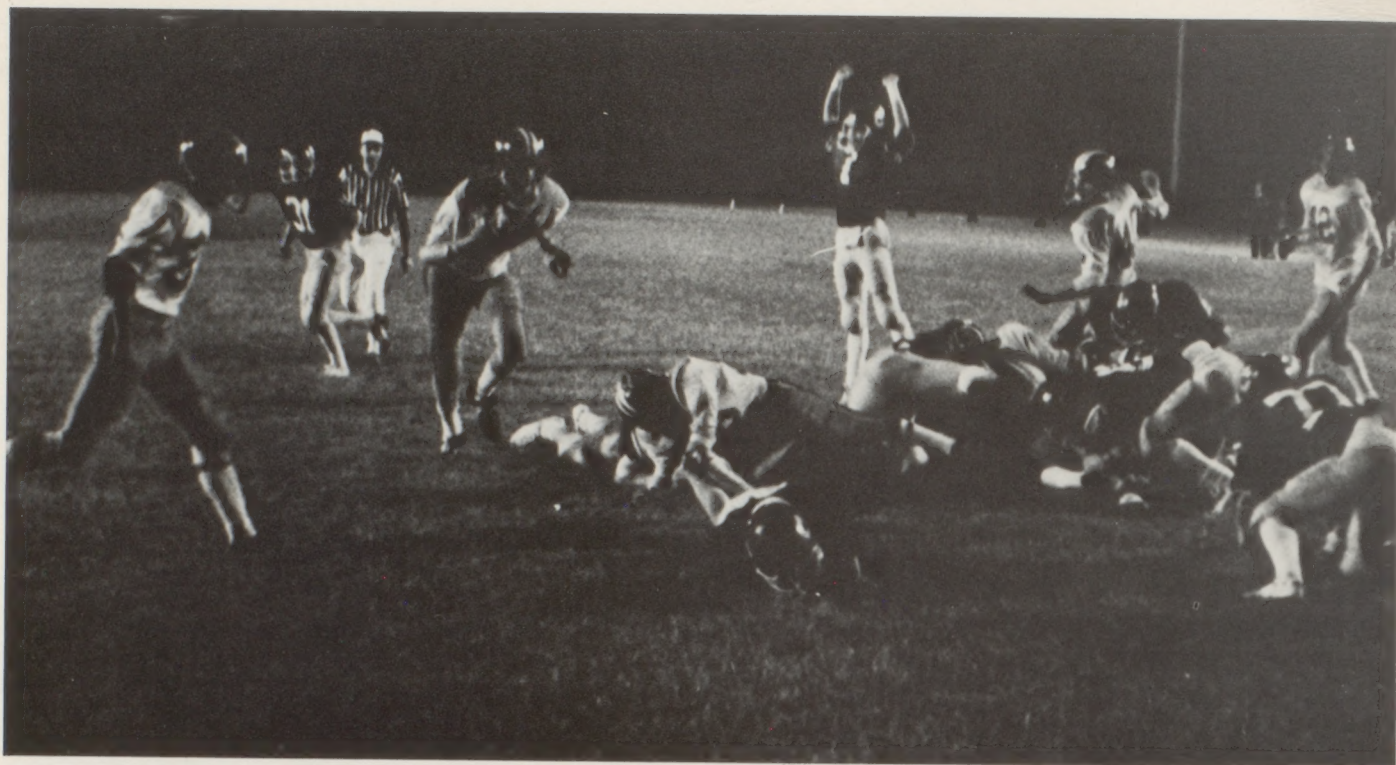

The Homecoming Parade was as much of a thrill for the participants as it was for the onlookers.

CCHS Homecoming Parade was held on Friday, September 28. Classes and organizations entered the float competition. Floats were judged as follows:

- First Place — Seniors
- Second Place — Juniors
- Third Place — Sophomores
- Fourth Place — Freshmen

## Clinton Scores Twice In Homecoming Game

The Pontiac Indians scored late in the first quarter giving them a 6-0 lead. Clinton came back with 1:35 remaining in the half and scored on a pass play from Tim Green to Bob Epperson (right). The Indians then scored very early in the second half, giving them a 12-6 lead. With a little over a minute remaining in the third quarter, John Westendorf scored the second Clinton touchdown (top). The conversion was no good, and the score stayed at 12-12. The Indians scored again with 5:37 left in the game. The final score was 18-12.

CATHY SPRAGUE

On the evening of September 28, Cathy Sprague had one of the most exciting times of her life. She was crowned 1979-80 Homecoming Queen. She was chosen queen from a group of six candidates. Coronation ceremonies were held during half-time at the Pontiac-Clinton football game, Friday evening. Cathy reigned over the Homecoming Dance, "Shadows in the Moonlight," held on Saturday evening.

## On The Square

Many older people wonder why teenagers drive around and around the square. They probably do not realize how much fun "cruising" really is. Here are a few facts some people may not be aware of.

Did you know that . . . ? "The square is really round." "The square is only one way." "Six trips around the square make a mile." "The police station is there." "More laws are broken on the square than in any other place in Clinton." "In the summer there are more pigeons on the square than in New York City." "There are more frisbees on the square in the summer than on Daytona Beach." "There is also a square on the square (Gas Light Square)."

Pontiac Edges  
Maroons  
18-12

The Pontiac Indians gained their first victory of the season as they edged the Maroons 18-12 in the annual Homecoming game, September 28, 1979. Despite touchdowns by Westendorf and Epperson, Clinton fell to 0-4 and 0-3 in the conference.

The Homecoming game was dedicated to the Stone family in remembrance of Joe Stone, former teacher.

# FASHIONED CHRISTMAS

What a romantic couple!

"An Old-fashioned Christmas" was the theme of the Christmas Dance held on December 8, 1979. The Student Council sponsored the dance, and the Lucky Dog Band provided the music.

The Commons was decorated in the traditional Christmas mode. "Doc" Strain, attired as Santa Claus, handed out treats to all who entered.

Look at what I've got!

The Lucky Dog Band.

Santa with the kids.

What a smile!

Some wild swingers taking a breather.

The 1980 Sweetheart Dance was held on Saturday, February 2, from 8:00-11:00. The dance was sponsored by the Future Homemakers of America, and Hardy Street furnished the music. The Freshman Sweetheart was Jeannie Rickgauer, escorted by Doug Baker; the Sophomore Sweetheart was Paige Wagner, escorted by Marty DeJaynes; the Junior Sweetheart was Debi Riegel, escorted by Roger Sams; the Senior Sweetheart was Andrea Reiman, escorted by Bob Epperson; the FHA Sweetheart was Connie Pister, escorted by Blair Brommel.

Jeannie Rickgauer, Paige Wagner, Ryan Archey, Connie Pister, Brandi Newman, Debi Riegel, Andrea Reiman.

What an exciting dance!

The chaperones for the dance were Mr. and Mrs. Baum and Mr. and Mrs. Rieger.

Oh! Sweet Music.

On May 20 the seniors were off to Sherwood Lodge in Osage Beach, Missouri. Mr. and Mrs. Lehman, Mr. and Mrs. Bandy, Mr. and Mrs. Adcock, and Mr. Eddy accompanied the group. Water skiing, go-karting, a country music show, a riverboat ride, and swimming were some of the activities enjoyed by the members of the senior class.

"Oh, no, not again!"

Just one of the kids!

## SENIOR CLASS TRIO !?!

What a happy group!!! Actually, they were laughing at Mr. Eddy trying to take the picture.

The annual Junior-Senior Prom was held on May 10, from 8:00 to 11:00 p.m. at Clinton High School. "Searching for a Rainbow" was the theme of the Prom.

"Freedom" provided the music for the 128 couples who attended. The commons was decorated in the colors of the rainbow, and each table had a miniature rainbow as the centerpiece.

Last year's Prom King and Queen, Nathan Fields and Peggy Gregory, returned to crown this year's "royalty."

After Prom was held in the commons from 12:00 to 4:00 a.m. Volleyball, basketball, and dancing to records provided entertainment for the 253 people who attended.

We said formal, but not THAT formal!

Mr. Zartler, Coach

Tennis was introduced to CCHS this year as a team sport rather than just a P.E. activity.

Mr. Zartler organized the Tennis Club by asking for sign-ups. The students met after school for their practices, which usually lasted between one-and-a-half to two hours.

This year the team played for fun more than for competition, but Coach Zartler would like to increase the membership in the club and to enter into competition in the next couple of years.

The Clinton girls' track team set nine new records in 1980 by coming in 4th in the conference, qualifying for State in the 100, and placing 6th in the State in the 200. This is the first time ever that any girl from Clinton High School has placed in the State finals. Clinton records for 1980 were set by Tina Dorow in the 3200 meter run (12:38.6), Kelley Koget in the 200 meter hurdles (33.5), Paige Wagner in the 100 meter dash (12.1), Nannette Fenner in the 800 meter run (2:40.9), Tina Dorow in the 1600 meter run (5:48), Paige Wagner in the 200 meter dash (25.8), Jill Dougherty, Cheryl Short, Paige Wagner, Nannette Fenner in the 1600 meter relay (4.3 (4:43.4) and Cindy Bush, Jill Dougherty, Cheryl Sturgeon, Paige Wagner in the 400 meter relay (53.5).

In the conference the team finished in fifth place out of six teams. They finished in twelfth place in the district out of the sixteen teams that competed. Some other highlights of the season included a hole-in-one by Rod Woolridge and an eagle by Mike Mandrell.

The 1980 Golf Team should be powerful as many of this year's team members will be returning.

## Football Team Plagued By Injuries

The football team had several player injuries this year. In the nine games they played, only 4 or 5 of the team members were able to play in every game. Having few juniors and senior players able to play left the underclassmen to pull the team's weight.

The varsity team should have won at least two games this year. Their first "big" opportunity came during the Homecoming game. They were tied at 12-12 with Pontiac. Near the end of the game, a pass hit a Maroon; and a Pontiac player caught the ball in the end zone. The second opportunity came in the Olympia game. The score was 6-0, and Clinton was about to score. The Olympia defense held, and then they scored again to win 15-0.

These disappointments and injuries should be considered learning experiences which will help next year's team to have a winning season.

## Freshmen Win Homecoming Game

The Freshman Football Team won their Homecoming Game with Pontiac by a score of 40-14. This was their only win; however, in four games they were beaten by only one touchdown.

The running backs, Artie Lehman and Steve Perring, combined for over 1,000 yards in rushing. These two players also scored many of the team's touchdowns.

For a freshman squad, this team shows great promise.

## Sophomore Football

The Sophomore Football Team finished 0-8 for the season. Frequently several sophomores had to fill in for injured varsity players; consequently these substitutions made it difficult for the team to play to its full potential.

At the sports banquet Mr. Triezenberg summed up the sophomore season, "We thought we saw a light at the end of the tunnel; we later found out it was just an oncoming train."

This year's only Cross-Country team wasn't one for winning many meets. They were, however, a team for setting three school records.

Co-Captain Jim Harold, top left, broke the school Varsity record that day with a 16:03 for the three mile race. Tina Dorow, bottom, broke the Girls' Varsity record with a time of 19:21. Also, Barry McIntosh broke the Freshman-Sophomore record with a time of 16:08.

## Go For It!

The girls' varsity volleyball team finished the season with 9 wins and 17 losses. The lady Maroons finished second in the district behind Heyworth.

The team's Most Valuable Player was Dorothy Rhodes. Paige Wagner was voted Most Improved Player. Andi Reiman was the player who received the 110% award.

"Go For It" was the motto that the girls used during this season. This motto refers to their desire for winning. The girls tried hard this year; with several skilled underclassmen, the team should do well in the future.

## HARROLD Goes To STATE!

Clinton wrestling is getting better! Although the Clinton wrestling team had many problems which hurt them throughout the year, they managed to send the first Clinton wrestler in ten years to the State Finals. The team also wrestled some of the best downstate teams; five of the teams were ranked in the States class "A" poll. Coach Eddy commented, "If we can become stronger and develop a good mental concept of ourselves, we will be much better next year when we will have ten returning lettermen."

Jim Harrold was the first Clinton wrestler to advance to the State Finals in ten years.

## 14-13, Best Season in Years for Maroons

The 1979-80 Varsity Basketball team ended its best season in years with a 14-13 record. Senior forward Kelly Chick led the team in the rebounding and scoring departments. The Maroons opened the season by winning the Fairbury Thanksgiving Tournament. They won the consolation championship in the Woodford County Tournament. The season was highlighted by the final game of the season; an inspired Maroon team enjoyed thirty minutes of victory and agonized a tough two minutes of defeat against conference rival, Central Catholic, in the championship game of the Clinton Regional.

## Excalibur

Jane Sykes, Editor

The Journalism class meets each day for one hour. There are fifteen students in the class. Mrs. Doris Wunderlich is the teacher and advisor. The class must write a minimum of one article per week. The paper is pasted up and printed once every three weeks. On the day the *Excaliburs* are to be sold, the Journalism class comes into homeroom before 8:00 A.M. to sort the papers for delivery to all of the teachers. The papers are then sold to the students for 15¢ per copy. Every third Saturday some of the class members go down to the *Clinton Daily Journal* at 8:00 A.M. to paste up the paper. The Journal prints the paper for the Thursday following paste-up. The *Excalibur* is self-supporting; ads are sold to finance the \$150 cost per issue.

# Student Council

The Student Council was involved in many activities this year. They sponsored the Spirit Week activities, the Powder Puff football game, the Anything Goes assembly, and the Homecoming Dance. Also, the council sponsored the Christmas Dance and a District Overnight.

The council held a New Parents Day each month. The parents of new students and freshmen were shown the school and were invited to have lunch in the commons. Another activity of the Student Council was a student exchange. Students from Clinton went to other schools for a day, and other schools' council members came to Clinton.

## Seniors Selected

Forty-seven seniors were selected for the Gifted Youth program. These students were selected according to class rank, two I.Q. scores, and teacher recommendations on academic ability and special skills.

Throughout the year this group, with a grant from the government, has attended a Madrigal Dinner at I.S.U. and four plays at Wesleyan and has traveled to Chicago to visit the Art Institute. Thus far, only the class of 1980 has participated in this program, but a similar program is being organized for the juniors, sophomores, and freshmen.

Mrs. Simmons, sponsor.

## National Honor Society

National Honor Society is a group of selected members. The members hold meetings the first and third Wednesday of the month. They are always making plans, either to help others, to make money, or just to have fun.

The National Honor Society holds two inductions each year, one in the fall and one in the spring. To be a member of National Honor Society is one of the highest honors a student can receive. To be chosen for the organization one must rank in the top third of the class. There are four qualities a student must have in order to become a member. These qualities are scholarship, character, leadership, and service.

At the fall induction Bloomington Mayor Richard Buchanan was the guest speaker. He reminisced on the days when he was a student at CCHS.

## FHA

Future Homemakers of America is an organization dedicated to helping youth assume their roles in society in areas of family life, personal growth, vocational preparation and community involvement.

Early in the year, FHA members sponsored one of their largest projects, the Homecoming Dance. They put much time and effort into this project to make it a success. They also built the traditional FHA float, featured in the Homecoming Parade.

Under the supervision of advisers Rhonda Baum and Debbie Rieger, the club attended an FHA Regional Rally in Monticello. Then, as a fund-raising project, they sold "treasure chests," boxes filled with household items, games, puzzles, and other gadgets. This project proved to be profitable as well as fun.

The annual Sweetheart Dance, organized by FHA, is their largest and most important project. After six weeks of hard work, much planning, and late hours by FHA members, the dance was enjoyed by many, and a definite success.

Officers: Judy Rickgauer, Mary Harpenau, Lynn Christman, and Stacy Ritchie.  
Advisors: Mrs. Rhonda Baum, and Mrs. Debbie Rieger.

## D.O.—S.W.E.P.

The purpose of these classes is to teach each student how to decide upon, apply for, procure, and keep a job. The classes meet five times a week. The students get two credits each semester, one for the classroom instruction, and one for the job training. There are 49 students in D.O. and 11 in S.W.E.P.

The students are employed at Eisner Agency, T.L. Sears Electric, Inc., IGA, Kroger, E. Kent, and Co. Monicals, Hardees, Jr. High, H and M Trucking, The Shack, Clinton Shell, Taylor Magill Hotel and Restaurant, and Webster School.

Students are employed as cashiers, gas station attendants, grocery stockers, electricians' assistants, maintenance workers, waitresses, and cooks.

## CLINTONIA

The staff of the *Clintonia* started on the 1980 issue with fifteen members and a new advisor, Mrs. Doris Wunderlich. Only two of the members had worked on the 79 *Clintonia*. In January, Debbie Beery, Carole Conn, Kay Howry, and Tracy Johnson graduated, leaving the remaining 150 pages to be completed by a staff of eleven. "Deadline" was an unpopular word, and the frustration of meeting these dreaded days was shared by all. The famous "Z" (Mr. Zimmerman, the Inter-Collegiate Press representative) calmed the nerves of staff members on several occasions. A comment frequently uttered, however, was, "I never knew it took soooooo much work to make a yearbook. I should have taken English Lit."

The Home Economics Related Occupations Class (HERO) is taught through the Home Economics Department and is designed so that the students attend class for two mods every day and then work in Home Economics-related jobs during the afternoon. They receive school credit for their class-related employment.

There are sixteen girls in the program this year, and all of them are working in jobs related to Home Economics. Some of the girls are employed at Armstrong's Shoe Store, Dr. John Warner Hospital, IGA, Douglas School, Washington School, Dairy Queen, Monical's, Clinton Pharmacy, and Fitzgerald's Jewelry. The girls are involved in retailing, cosmetology, child care, food preparation and distribution, and dietary assistance.

Front Row: Dana Duff, Debbie Bostwick, Londa Clark, Sandy Hoffman, Kelly Cummings, Janita Followell.

Captain, Louanne Gregory; Co-Captains Debi Riegel and Jennifer Morris.

The "M" Squad starts getting ready long before the school year begins. Once the squad is chosen, all the girls attend pompon camps. This year some of the girls went to Badgerette Camp, where they won assorted ribbons; and others went to Halftime USA Camp. Squad members there won the Best Overall Squad Award, and Londa Clark was named Miss Halftime USA, a title held last year by the squad's captain, Louanne Gregory.

Besides camp, they meet several times during the summer to choose outfits and practice together. After school begins, the "M" Squad practices almost every morning and sometimes after school to get ready for a special event.

The Squad performs at football and basketball games; but it also spends time on other activities. For example, the girls attended Miss Drill Team World Competition and won a second place trophy in pompon division and a first place trophy in the high kick category. The squad also performed at the mall, helped teach the Jr. High pompon squad, and raised money for extra equipment.

## Varsity Cheerleaders

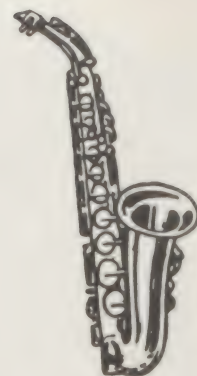

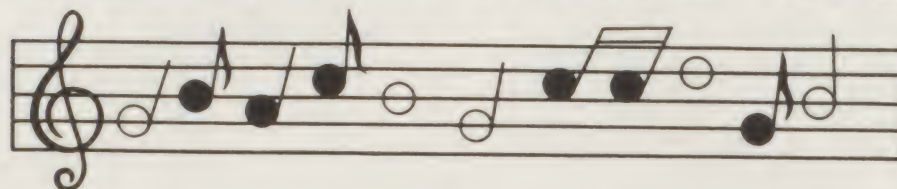

The 1979-80 cheerleaders were selected by judges who came from all over the Clinton community. Each judge was given a sheet for each of the girls trying out. The girls were judged on appearance, jumping skills, loudness of voice, and personality.

This year the girls raised enough money to purchase new uniforms.

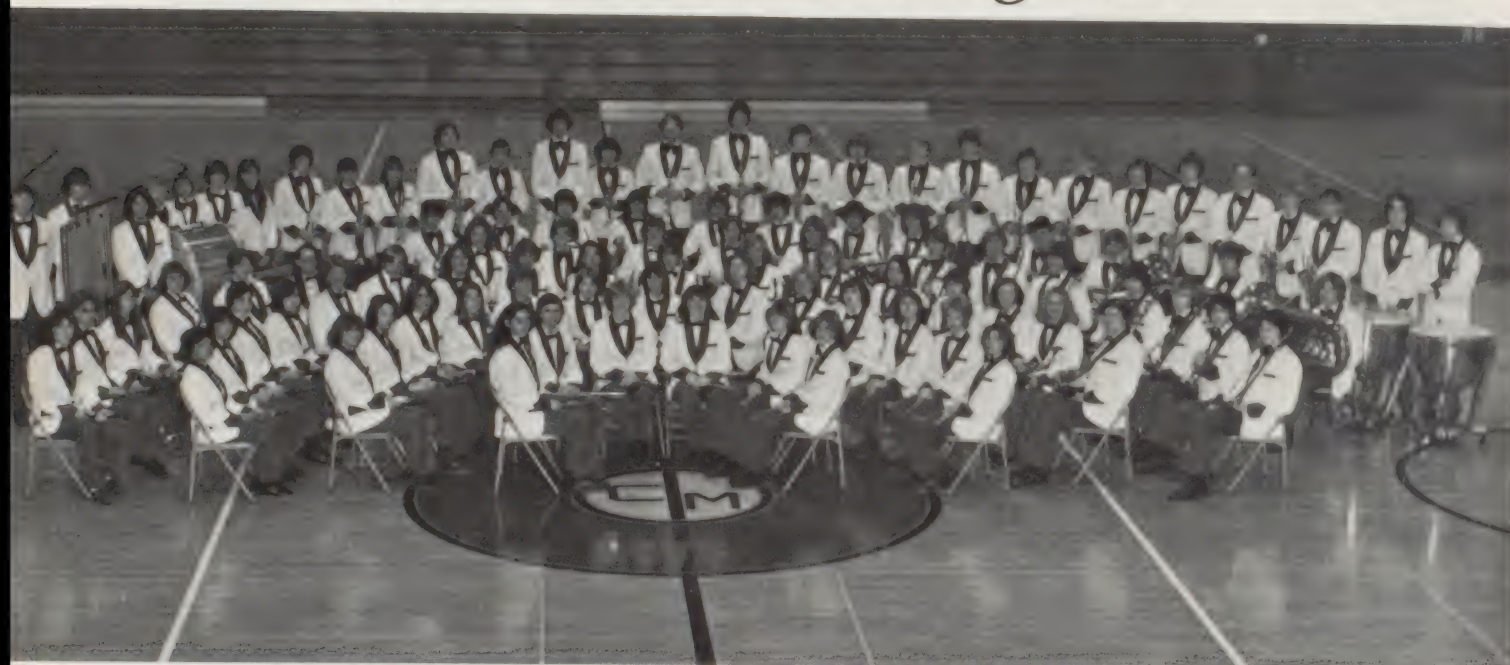

The 1979-80 cheerleaders for CCHS have shown outstanding performance and spirit for this year's athletic events. Their sponsors are Mrs. Devore and Mrs. Rieger

# CLINTON BANDS

## Pep Band—Marching Band

1979-80 was a busy and exciting year for the CCHS Concert Band. They began with a Christmas Concert in December. Their next big event was the 12-hour long Concert-A-Thon which helped the band raise about \$3,000. The concert band gave a performance for all of the 4th and 5th graders on April 10. They traveled to Monticello on April 19 to participate in State Band Competition. Then on April 25 the band left on a three-day trip to Kentucky and Tennessee. Their first stop was at Murray State University, where they performed a concert in the university's auditorium. The band then boarded their chartered buses and headed for Nashville, Tennessee, where they toured a television and recording studio and spent the day at Opryland U.S.A. The concert band ended the season with a Spring Concert and a performance at graduation.

The Marching and Pep Band played for all home football and basketball games as well as the boys' and girls' basketball tournaments held in Clinton. They also performed at all pep assemblies. The marching band participated in the DeWitt Centennial Parade, CHS Homecoming Parade, Clinton Christmas Parade and won a 2nd place trophy in the Farmer City Christmas Parade.

They practice two mornings a week before school and sing popular songs, many of which have choreography.

## Mixed Chorus

The Mixed Chorus performed in three concerts this year, singing a variety of music for fall, Christmas, and spring. Additional performances were given at the Clinton elementary schools, Junior High, Crestview Nursing Home, and Wapella High School. Members participated in two state contests: the Solo and Ensemble Contest was held in March, and the Organizational Contest was held in April. The group also held a bake sale to raise funds to help send some members to summer music camps.

The Library Club of Clinton High School is composed of a group of students whose aim is to help provide better library service to the teachers and students in the school. Library Club members help in checking out books and magazines to others, shelving materials in an organized fashion, and doing other jobs which help to make the library a better place to work and study.

In addition to Halloween, Christmas and Valentine parties, the local club hosted the district fall meeting here in October. Julie Piatt finished a term as District Treasurer, and Janice Martin was elected as District President. She will assume office in April, 1980.

Officers for the 1979-80 school year are

Danny Taylor, President  
Julie Piatt, Vice-president  
Tim Nichols, Secretary-treasurer

## Debate Team

From Left to Right: Steve Martin, Bonnie Ruble, Julie Olson, Tom Glasson, Kathy Henderson, Barb Turner, Mr. Schultz.

The 1979-80 debate team under the direction of first year coach, Mr. Kenneth Schultz, participated in seven debate tournaments this season. These tournaments were spread throughout the state from St. Louis to Chicago. The Belleville East High School Invitational Tournament in St. Louis proved to be the most lucrative of the tournaments. The Clinton team of Julie Olson and Tom Glasson placed third among 120 teams from 50 state high schools. The 1979-80 debate season was basically a rebuilding year for the Clinton team, and they hope to have an even better season next year.

Mr. Schultz, Debate Coach

# Thespians

Troupe 3151 of The International Thespian Society was chartered in 1976 with ten initiates. The current membership is 20. The goal of this troupe is to promote and finance theater in the high school. Students are eligible for membership after earning ten points by participating in two major productions.

This year the thespian troupe presented a Children's Theater Production at the public library. Then, in January, they attended the fifth annual Illinois High School Theater Festival at I.S.U.

On April 18, 19 and 20, the thespians produced their major activity, the annual spring musical. *The King and I*, under the direction of Mrs. Devore and Mrs. Fisher, was a great success and enjoyed by many.

## ART CLUB

### Clinton Art Club Activities 1979-80

During the Art Club's weekly meetings members prepared for special events, worked on murals, and painted shirts. They were also involved in forming the Illinois High School Art Association. Members were costumed as art materials and pictures in a walking float in the Homecoming Parade. At the Apple and Pork Festival, members sold handmade pewter and ceramic jewelry, silk screened tote bags, and T-shirts. Later in the year a field trip was taken to the Chicago Art Institute.

The Art Club participated in the Lincolnwood High School "Art Affair" in December 1979. Awards were received by Donna Bradshaw—1st Place, Printmaking; John Williams—1st Place and Honorable Mention, Still Life Drawing; Lori Woodward—4th Place, Ceramics; and Paula Campbell—Honorable Mention, Painting.

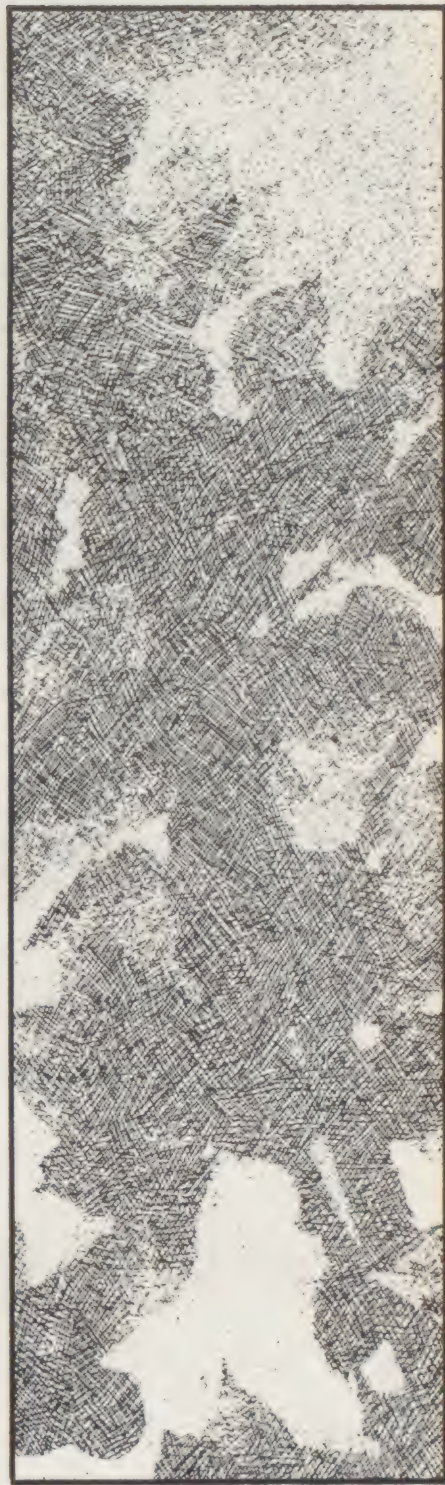

In February, members printed and sold personalized Valentines. Also that month John Williams, Craig Brendley, and Sheryl McCubbins entered drawings in the Illinois Wesleyan University High School Art Show.

In cooperation with Milliken University, the Art Club held the L'iaison de l'Art on March 15. Two hundred students from fifteen high schools participated in the event. Awards went to Donna Bradshaw, 1st Place; Carolyn Chandler and Steve Wrone, 2nd Place; Donna Bradshaw, Karen Ely, and Roger Burton, 3rd Place; and Sheryl McCubbins and Craig Brendley, Honorable Mention.

Back Row: Carrie Coon, Lori Woodward, Teri Brannon, Tim Nichols, John Williams, Annie Case, Medora Guarneri, and Eric Weaver. Front Row: Mrs. Arnold, Jan Simmons, and Pam Wood.

## ADMINISTRATION RESPONSIBLE FOR AN EXCEPTIONALLY FINE YEAR

"This is one of the best years we've ever had." Teachers have continually voiced this opinion throughout the year. Mr. Archey made the same comment at the C.E.A. Spring Tea on May 14th. He also passed along similar comments made by the Clinton Board of Education.

Much of the credit goes to the three men who have assumed new administrative duties, Mr. Perkins as principal, Mr. Henry as assistant principal, and Mr. Gramkow as administrative assistant. With their leadership and guidance, Clinton High School has been a pleasant and enjoyable place to work and study. Who knows? In 1990 the teachers may be going around saying, "This is the best decade we've ever had."

Ms. McKee tutored students on an individual or small group basis. In addition, she taught study skills and helped with problem solving. ## Home Economics In Memoriam of Lois Hieronymus

On June 2, Clinton High School lost a very special lady. Mrs. Hieronymus had taught Home Economics at Clinton for twenty-two years. She was a friend to everyone, and her love and laughter were infectious. Her pleasant voice, her warm smile, and most of all, her friendship, will be sadly missed by those who knew and loved her.

# AGRICULTURE

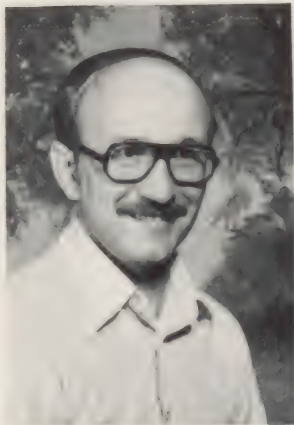

Donald Prather

Experiences gained through agriculture and industrial classes are designed to provide the students with skills and knowledge needed for employment. Programs offered in agriculture include production, mechanics, and supplies and services. Industrial programs include drafting, building construction, metals, welding, and auto mechanics. Emphasis is placed on actual experience including shop activities, construction of the building trades house, welding projects, supervised experience programs in agriculture, and activities through FFA and VICA.

Curtis Covington, who was a custodian for Clinton High School, retired on January 25, after 25 years of service. Curt will be missed by both students and faculty. He was always prepared with a good joke or a humorous comment or two.

Curt has been looking forward to his retirement years. He plans to do some fishing and hunting. He may even log in some time in the ole rocking chair.

Curt and his wife reside at 10 Willow Drive in Clinton. Everyone here at CCHS wishes Curt a healthy and happy retirement.

"I came from the Philippines as a Youth For Understanding exchange student. I am now staying with Mr. and Mrs. Rex Gambrel for the school year. My country is warm all the time which is quite different from America. I won't experience seeing snow for the rest of the year, but I am familiar with snow from movies and shows on T.V. We eat rice almost every meal of the day in my country.

"I enjoy school very much, but geometry is most difficult. My stay is a new experience for me because the food, the weather, and the ways of the people are different. I have learned and now understand that not all the ways of people in the world are the same."

## Youth for Understanding

"My country is Paraguay. I'm from Asunción; it's the capital. It is called "South America's Heart" because it is in the middle of it.

"There are some differences between Paraguay and the USA. For instance, now it is summer there, so the weather is very hot. We usually go to school at 7 o'clock and come home at 12 o'clock. Besides, we stay in one room all day, and the teachers move to our classrooms to give the lessons.

"Now I'm living with the McIntyre family. I'm very happy living with them because they are very nice. I feel that I have known them for a very long time. I'm comfortable studying in this school. The students are friendly here, and the classes are interesting. My great purpose here is to learn to speak and write English. At the same time, I want to have a good experience living with people of another country, sharing their customs and participating in their activities."

## IN MEMORIAM

Stanley Moore    May 31, 1964—December 15, 1979

Stanley Moore, a member of the 1982 Class at CHS, was killed in a farming accident on December 15, 1979.

"Stan the Man," as he was known by his many friends and teachers, is remembered as fun loving, smiling, and good natured. He was a respectful, hard working, and helpful student.

Stan was especially devoted to the Dallas Cowboys football team, and he often wore a shirt proclaiming this fact. He enjoyed discussing scores, players, and the team's efforts. Stan also used his knowledge of football here at Clinton, where he was a member of the sophomore team. An avid farmer, Stan was also an active member of the FFA.

Stan will always be remembered by his friends at CHS. A plaque in his memory has been placed in the commons. This summer the FFA will erect a memorial welcome marker on Route 54, west of the high school. This FFA marker will be dedicated to Stanley Moore.
